

DONOVANO-DESIGNS

# Andy Goldsworthy

What objects can you see ?

What colours do you see ? What does it remind you of ?

- Andy Goldsworthy is an international sculptor and one of the UK's most well known artists

What is a sculptor?

Do we have sculptures in school ?

- Andy Goldsworthy is different to a lot of artists in that he invents his own techniques. These come from experimenting with and learning about the materials.

What does technique mean ? Is it what you use or how you do something?

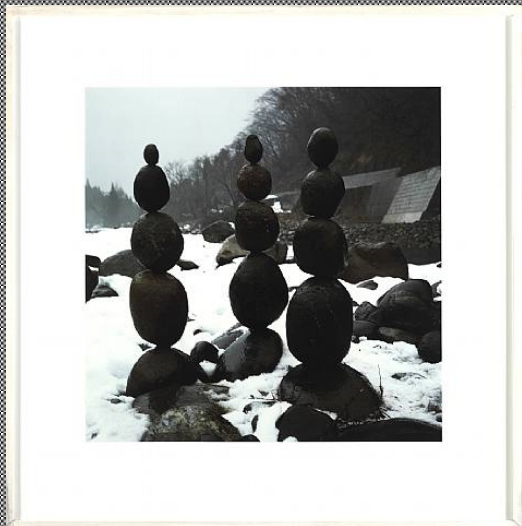

Can you think techniques we have learnt?

His art involves the use of natural and found objects

# SHAPE

## Home /Garden Environment Sculpture Project

- Explore -materials !
- Indoors -coloured Buttons, paperclips, coloured pencils, toothpicks, Lego, Counters
- Gardens twigs leaves stones
- Arrange into a pattern and take a photo using Andy Goldsworthy's style take a photo and share on my Instagram below !
