Please book using the QR code provided.

Volunteers Needed

at Redmond Community Centre

A small community garden maintained by volunteers who come together and decide what to plant. Whether you're a green-thumbed pro or a gardening newbie, all are welcome to join the team. Currently we do not have any volunteers for our garden.

If you would like to volunteer please email us at info@mhdt.org.uk or come into the center to register.

Girls Friendly Society

at Redmond Community Centre

Great sessions where girls from 4 to 16 can make friends and grow in confidence all while getting involved in fun activities.

Every Wednesday from 5pm - 6:30pm for just £2 per session

Growing Communities

Seasonal climate-friendly fruit and vegetable scheme across Hackney and Haringey.

Grown locally, pesticide-free and with care for the planet.

As little as £10 per week which can be collected from our garden.

You can register with Growing Communities by clicking [here](https://growingcommunities.org).

Community Fridge

is an initiative aiming to tackle food waste and food poverty.

In Partnership with the Felix Project, food donations are received once a week on Mondays. Our team of volunteers then prepare food bags which are collected by residents in and around the community.

Free food for everybody in need every Monday at 12 noon except bank holidays and some rare times when we have to be closed but this is advertised in advance to inform the community. It is on a first come first serve basis, and on arrival by grabbing a ticket.

We rely on donations to continue.

Woodberry Down Library

Borrow a book or two, or come and use free computer access at the Woodberry Down
Library located
in the Redmond Community Centre.

Join us with your babies and toddlers on Thursdays for fun stories and rhymes session at
the library.
