"STAYING CONNECTED" WOODBERRY WETLANDS NEIGHBOURHOOD FORUM

The Neighbourhoods Forum gives those who live and work in and around the Woodberry Wetlands area a say about how to improve their health & wellbeing, find out what's going on in your neighbourhood, and remove barriers to health care services.

Meet others in your neighbourhood and learn about free support services in your area!

learn digital skills!

So come and have your say!

When: Tuesday 3rd February 2026 12–2pm

Where: Hackney Showroom, 4 Murrain Rd
N4 2BN

All local residents are welcome to join this FREE event.

Join us for an engaging session focused on building stronger social connections and staying connected within our community. We'll explore practical ways to navigate local statutory services and pick up useful digital skills to make life easier. This is also a space to share ideas and tips on what has worked well for you in staying connected. Light refreshments will be provided, so come along, connect, and learn in a relaxed setting!

The Woodberry Wetlands Neighbourhood Forum gives those who live, work or have a keen interest in the local area a say on how to improve their health and wellbeing, meet new people, find out what's on in your neighbourhood and help remove barriers to health care services that are needed.

Initiative aiming to tackle food poverty and waste.

In Partnership with the Felix Project, food donations are received once a week on Mondays. Our team of volunteers then prepare food bags which are collected by residents in and around the community.

Free food for everybody in need every Monday at 12 noon except bank holidays and some rare times when we have to be closed but this is advertised in advance to inform the community.

It is on a first come first serve basis, and on arrival by grabbing a ticket.

We rely on donations to continue.

Growing Communities

Seasonal climate-friendly fruit and vegetable scheme across Hackney and Haringey.

As little as £10 per week which can be collected from our garden.

You can register with Growing Communities by clicking [here](#).
