Girls Friendly Society

Great sessions where girls from 4 to 16 can make friends and grow in confidence all

while getting involved in fun activities.

Every Wednesday from 5pm - 6:30pm

For just £2 per session

Initiative aiming to tackle food poverty and waste.

In Partnership with the Felix Project, food donations are received once a week on Mondays. Our team of volunteers then prepare food bags which are collected by residents in and around the community.

Free food for everybody in need every Monday at 12 noon except bank holidays and some rare times when we have to be closed but this is advertised in advance to inform the community.

It is on a first come first serve basis, and on arrival by grabbing a ticket.

We rely on donations to continue.

Seasonal climate-friendly fruit and vegetable scheme across Hackney and Haringey.

You can register with Growing Communities by clicking [here](#).

Borrow a book or two, or come and use free computer access at the library located in Redmond Community Centre.
