COMMUNITY FRIDGE

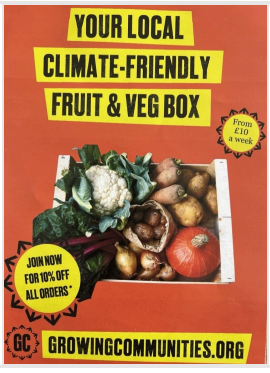

Community Fridge is an initiative aiming to tackle food poverty and waste.
In Partnership with the Felix Project, food donations are received once a week on Mondays. Our team of volunteers then prepare food bags which are collected by residents in and around the community.
Free food for everybody in need every Monday at 12 noon except bank holidays and some rare times when we have to be closed but this is advertised in advance to inform the community. It is on a first come first serve basis, and on arrival by grabbing a ticket.
We rely on donations to continue.

Growing Communities

Seasonal climate-friendly fruit and vegetable scheme across Hackney and Haringey.

£10+ per week which can be collected from their shed in our garden.
